28 March 1963

NOTE NUMBER 1

SUBJECT: DCI Briefing of CIA Subcommittees of Senate Armed
Services and Senate Appropriations - 27 March 1963

In discussion with Senator Stennis, after the meeting, he agreed to prepare a draft report of his Subcommittee's work on Cuba asking the Agency to review it but hopefully it would not be cut too much. The Director stated he would try to leave in as much as possible.

JOHN S. WARNER
